- Check me out on [GitHub](#)

I enjoy a challenge, and I thrive on the opportunity to expand my knowledge and work with others who demand a high level of excellence. I'm excited to apply my unique skill alongside other talented individuals, and I look forward to hearing from you. Thank you for your time and consideration.

- Javascript; including front-end libraries like React, Vue, Web Components, as well as ES6 classes, arrow functions, promises, async and await, and also browser and DOM APIs.
- CSS; dealing with scoping, and comfortable working with Grid or Flex layouts.
- HTML, including semantic HTML5, as well as its importance for accessibility, SEO, and its own legibility.
- Comfortable in an agile work environment. Comfortable in workflows like GitHub's Kanban, issues, and pull requests.
- Acumen with desktop publishing tools like Adobe Photoshop, Adobe Illustrator, and Premiere Pro.
- Audio Editing/Engineering experience.

Point University: *Multiple Roles* (August 2013 - May 2017)

- Served as a Fine Arts Department tutor.
- Helped coordinate and oversee Fine Arts Department production logistics.
- Performed as a choral section leader and multi-instrumentalist in multiple productions.
- Arranged, directed, and conducted Jazz Ensemble.

Spring Road Christian Church: *Creative Arts Intern* (August 2015 - May 2016)

- Coordinated with fellow ministry residents and church leadership to develop a strong focus on accurate theology, personal growth, and artistic excellence within the local community.
- Led musical performance teams in weekly rehearsal.

Journey Christian Church: *Creative Arts Director* (February 2017 - June 2019)

- Curated the Music Ministry, helping volunteers to strengthen their sense of camaraderie and develop their skills as musicians.
- Served as graphic designer, publishing updated graphics and logos.
- **Redesigned primary website to ensure a clean, beautiful visitor experience.**
- Managed Online Marketing through Facebook and Instagram advertising.

Point University: *Bachelor of Science in Music Performance* (August 2013 - December 2016)

- Magna Cum Laude.
